## ***Make a Difference – Be The Change***

Every year the Shepherd Forest Civic Club – YOUR Civic Club – holds elections for Officers and member of the Board of Directors. It is a crucial time for the Civic Club – a time when some officers step down, new officers assume new positions, and everyone in the Civic Club gets an opportunity to step up and serve. This is your annual chance to bring your ideas and opinions into the mix that ultimately makes Shepherd Forest the place you want to live, raise your family, and enjoy life.

***“Be the change you wish to see in the world” ... Mahatma Gandhi***

If you have lived in Shepherd Forest for a while, you are already aware of some of the things the Civic Club has done to improve life here – the **Beautification Committee** has devoted countless hours to picking up trash and trim bushes and brush along out thoroughfares; Civic Club officers joined forces with City officials to have **neglected properties** improved and maintained, and Deed Restrictions enforced; **neighborhood identity signs** have been placed in 10 strategic locations to let those who drive through our neighborhood know that we take pride in our property and our subdivision. And everyone knows about our wonderful **Annual Picnic, Easter Egg Hunt, Christmas Party, National Night Out gatherings, and bi-monthly Social events**.

But these are just the obvious results. You may not know that in the past 4 years, over 75 new residents have received “**Welcome Packets**” from the Civic Club – these packets includes a 14-page Handbook for residents to help them get to know the area, a copy of their section’s Deed Restrictions, car stickers, and coupons and offers from local businesses. **The Architectural Committee** has been busy reviewing plans for new homes and renovations, so that the appearance of our community can remain consistent. **Citizens on Patrol** have logged countless hours on the streets, both walking and more often in their cars at their own expense, patrolling all three sections of Shepherd Forest to be a visual deterrent to crime.

Even if you do not plan to join the Board or serve as an Officer, PLEASE COME TO THIS IMPORTANT MEETING and **vote for the people who will lead the Civic Club next year**. We will explain the minimal requirements of time and effort these positions require, and hope that you’ll bring your ideas and energy to help keep Shepherd Forest “A Place We Call Home”.

# Citizens Patrol Security Report

The aftermath of Hurricane Harvey seems to have bumped up criminal activity on some levels, as empty houses offer an opportunity for thieves. The Newsletter is sad to report that 2 houses on flood-ravaged Gardendale in Section 3 were victims of burglary in September. Vehicle break-ins continue to be reported in nearby Oak Forest and Garden Oaks. Some residents have been leaving their cars Unlocked with no valuables inside, thinking that this would at least keep thieves from breaking their car windows. Doing so, however, makes it even easier for someone to steal the whole car. HPD recommends ALWAYS locking your car, and never leave valuables in the car, visible or otherwise.

Here's what has been reported since the last newsletter:

9/13/17 Sec 1 1600 block Stonecrest – Theft  
9/22/17 Sec 3 3800 block Gardendale – Burglary  
9/23/17 Sec 3 3800 block Gardendale – Burglary  
9/25/17 Sec 1 1400 block Ansbury – Theft  
10/5/17 Sec 1 1400 block Ansbury – Theft  
10/9/17 Sec 2 2200 block Wilde Rock – Theft

Report all crime to HPD. Citizens Patrol reminds us to call HPD (911 if it is an emergency, or 713-884-3131) if you should see anything or anyone that appears to be “suspicious,” AFTER you have made the call to HPD, notify our Citizens Patrol by reporting it to our new COP Coordinator Debby Fisher 434-221-6222.

Its an election – may the best candidates win!

## *Recycling? No, not yet ...*

You may have seen a few trucks around in other areas picking up from the green recycling bins, but as of this week, the City of Houston has **still suspended recycling until further notice due to the need of extra personnel for debris collection related to disaster recovery.** For more information, visit [www.HoustonSolidWaste.org](http://www.HoustonSolidWaste.org) or call 3-1-1. Until recycling resumes, you can call Section 3 resident John Carter, (713-683-5111) who recycles ALUMINUM CANS, with the proceeds donated to the Civic Club COP fund. Call him to arrange pickup. There are bins for GLASS ONLY in the parking lot at T C Jester Park. When regular service resumes, we will be publishing our quarterly Calendar of Heavy Trash and Recycling dates to help you remember.

## The SF Annual Picnic – Record-breaking Attendance!

Beautiful weather and record-setting attendance helped to make this year's Annual Shepherd Forest Picnic a huge success. Residents from babies in arms to our most senior of "seniors" came out to Stonecrest Park on Sunday September 24<sup>th</sup> to enjoy hot dogs, watermelon and good times with their friends and neighbors. The crowd was estimated at almost 150 adults and kids, enjoying the bouncy castle, the petting zoo, and toys and games for the little ones. Several people joined the Civic Club, as Treasurer Mark Landress was on site to collect their dues. A big shout out goes to **Nell Baham**, who organized and led the Children's Parade along the bike path near the bayou, and provided American flags for the kids to wave. Special thanks go to **Patricia Williams** for manning the Membership table and selling T-shirts, **Krista Ripper** for bringing favors for the kids, "chef" **Raymond Dietrich** and his backup, **Clyde Muske** for cooking the hot dogs, and **Richard Holland** and his team of servers for making sure no one left hungry. Congratulations to **Delinda Holland** and her organizing skills for making this event a rousing success.

Please take a moment to patronize and/or thank our Sponsors:

**Dr Gleem** – Marcia's Petting Zoo  
**HEB on 18<sup>th</sup>** – Hot Dogs and Buns  
**Jan Hughes** – Sponsor in Kind

## National Night Out – Dampened But Not Defeated

Although a day-long rainstorm threatened to derail this event, hosts and helpers in all three sections set up their tents, lawn chairs and snacks to attract those who wanted to meet their neighbors and weren't afraid to get wet. As many as 35 adults and kids were at the Holland residence to support Section 2. Section 1 had two gatherings – 23 visitors to the Muske home (including some new residents) and Patricia Williams hosted 15 people (also some new neighbors) on 31<sup>st</sup> St.(see photo). Attendance was somewhat lighter than usual for the Dietrichs in Section 3 (17) and the Thompson family on Larknolls had 10, including Civic Club President Kurt Schoeffler. Thanks to everyone who hosted, and we look forward to better participation (and better weather!) next year.

## News from the Beautification Committee

Earlier this month a vehicle struck and knocked down our neighborhood sign at the corner of Guese and the feeder along 610. Quick to the rescue was neighbor **Mary Ann Restivo**, who brought the sign back to her house for safekeeping. Sign "adopters" **Keith and Wendy Burmaster** noticed right away that it was gone, and after a few messages on social media, the sign was returned to its original spot. Thanks to everyone for efforts and taking the time of keep our signs looking good.

Thanks to Section 1 resident **Mark Landress**, who recently chopped down some scraggly trees that were blocking the view of the Attridge exit on the 610 feeder from motorists. While doing so, he reported that several drivers slowed down to thank him!

## Shepherd Forest's youngest Hurricane Hero

*A few days after Hurricane Harvey passed through Houston, Section 1 resident Auden Trevino decided she wanted to do something to help victims and the city rebuild. But when you're only 8 years old, your resources are somewhat limited. With the support of her mom (via Facebook) and local residents, she set up a lemonade stand in front of her house. It was a warm day, and cold lemonade selling at 50 cent a cup really hit the spot. Within hours, she had raised \$108.50. Her family matched that amount several times over, and Auden was able to donate that \$108.50 to the American Red Cross, and \$242.00 in matching funds to the JJ Watt Hurricane Relief Fund. Thanks to Auden, and her mom Melissa Trevino, for making this happen!!*
